BIOGRAPHICAL INFORMATION

On December 16, 2014, Tigard City Council will consider a Resolution to reappoint Jason Rogers and appoint Bret Lieuallen, Chris Middaugh, and John William Smith as voting members of the Tigard Planning Commission and Michael Enloe as a non-voting alternate member.

Jason Rogers has been a resident of Tigard for ten years and is applying for a second term. He was vice president of the Planning Commission for one year and president for the past year. He was a paramedic from 4/1999-4/2007 and is currently employed as an Ambulance Operations Manager at Metro West Ambulance. He holds a Bachelor's Degree from George Fox University. Besides the Planning Commission, Jason has been president of his Home Owners Association; a City of Tigard Park Board member; active as a trail volunteer; and a volunteer for the Boy Scouts of America.

Bret Lieuallen has been a resident of Tigard for forty-four years having lived previously in Dundee, OR and Denver, CO. He's been a self-employed contractor for the past 15 years. He attended Tigard High School and Portland Community College. Some of his previous community activities include being president of his Home Owners Association, a VFW Legion Commander, a member of the Dundee Police Commission, a member of the Civil Air Patrol, and a City of Tigard Tree Board member.

Chris Middaugh has been a Tigard resident for sixteen years. Chris holds an Associate's Degree in Computer Information Systems from Portland Community College. He is a software engineer at IHS in Lake Oswego.

John William Smith has lived in Tigard for fifteen years, having lived previously in Scappoose, OR; Rio Rancho, NM; Phoenix, AZ; Seattle, WA; and Knox, Indiana. John is a self-employed contractor. His interest in the Planning Commission is to help Tigard to grow smartly, equitably, and sustainably while attracting good businesses, neighbors and citizens.

Michael Enloe has resided in Unincorporated Washington County for four years. He is currently employed by Washington County Land Use and Transportation where he serves as an Engineering Associate doing development review. Previously, he was employed with TriMet in an Engineering/Planning role. Prior to that, he worked for approximately 5 years as a Transportation Engineer for Washington State Department of Transportation (WSDOT) and holds a Bachelor of Science Degree in Civil Engineering. He's volunteered as a member of the Tigard Pedestrian & Bicyclist Advisory Committee for the past three years and is a very active runner and cyclist.
