

Past City of Tigard CDBG Projects

Please note, these are the grants awarded to the City of Tigard and do not include the grants that were awarded to Tigard based nonprofits like the Good Neighbor Center, Community Partners for Affordable Housing, and St. Anthony's.

Year	Project Name	CDBG Award	Match	Project Description
1979-1980	Tigard Senior Center	\$441,975	\$4,500	Property acquisition, design, and construction of a senior center to serve the cities of Tigard, King City, and the surrounding unincorporated area.
1981	Tigard Downtown Revitalization	\$20,000	\$1,070	Study the housing and transportation needs of low-to-moderate income residents of Tigard. Study included: general transportation circulation, parking, building conditions, and civic center feasibility.
1981	Architectural Barrier Removal and Sidewalk Improvements	\$25,152	\$4,500	Fund the construction of sidewalks, 88 curb cuts, and the installation of street lights.
1983	Fanno Creek Park Improvements	\$32,340	\$41,840	Development of a park along Fanno Creek that runs through the city's Downtown area.
1988	Tigard Senior Center	\$130,663	\$159,317	Construct entry vestibule, stairs, and elevator, porico, craft store, administrative office space, kitchen supply room, exterior maintenance room and installation of improved heating and ventilation system.
1990	Tigard/Metzger Walkways	\$87,232	\$13,305	Construction of sidewalks including grading, culverts, paving and extruded curbs along some sections.
1991	Englewood Park	\$5,461	\$600	Improve accessibility of the park to the mobility impaired by providing curb cuts at park entrance and/or removal of architectural barriers.
1991	Cook Park	\$11,680	\$4,435	Improve the accessibility of Cook

				Park to the disabled through physical improvements or remodeling of architectural barriers.
1994	Grant Avenue Sidewalk Improvements	\$58,930	\$40,900	Widen and improve SW Grant Ave between Tigard Elementary and Johnson St. Related construction activities include sidewalks, curbs, and gutters.
1996	Tigard Senior Center	\$27,550	\$4,690	Exterior improvements to the Tigard Senior Center including: paving over uneven gravel based portions of driveways and parking area; and create raised flower beds and vegetable gardens to be tended by elderly and disabled persons.
1997	91 st Avenue Sidewalk Improvement	\$166,800	\$23,200	Improve the roadway along 91 st Avenue, between Lincoln Street and Greenburg Rd, to alleviate safety concerns.
1999	Thorn Street Storm Drainage	\$43,278	\$9,400	Improve storm drainage along Thorn Street between 80 th and 82 nd Avenue. Project will improve vehicular and pedestrian safety in an area subject to chronic flooding.
1999	Lincoln Pedestrian Improvements	\$166,800	\$23,200	Construct sidewalks, curbs and storm drainage on Lincoln Street between Greenburg Rd and Commercial St.
2000	Lincoln and and 92 nd Ave Sidewalk Improvements (Phase II)	\$120,000	\$126,100	Construct sidewalks, curbs, and storm drainage to that portion of the street that is substandard, lacks curbs, and storm drainage.
2002	Bonita Park	\$140,400	\$105,550	Construct and equip a neighborhood park. Improvements include a play structure, seating and picnic areas, open lawn area, and a hard surface basketball court.
2003	Hall St Sidewalk Improvements	\$71,958	\$30,755	Constructed 12,256 square feet of five-foot sidewalks and 1,532

ATTACHMENT 4

				lineal feet of curb on Hall Blvd. between Highway 99W and Spruce St.
2005	Hall Blvd. Sidewalk Improvement (Phase II)	\$136,725	\$57,408	Improvements included sidewalks, curbs, retaining wall, wheelchair ramp, and driveway apron
2007	Tigard Senior Center Remodel	\$330,673	\$83,446	Remodel 27 year old senior center. Work items included a remodeled kitchen area and installation of modern, commercial grade, and properly-vented equipment
2008	Tigard Senior Center Remodel (Phase II)	\$145,109	\$113,350	Addition of a 619 sq. ft. garden room, associated site improvements, and a rooftop deck.
2009	Garrett Street Sidewalks	\$141,790	\$24,770	Design and construct sidewalks and associated storm drainage facilities on one side of Garret Street to current city standards.
2010	The Knoll Infrastructure Improvements	\$425,000	\$183,070	The City of Tigard will undertake the construction of 552 lineal feet of curbs, sidewalk, landscape, and drainage; as well as the installation of a traffic signal adjacent to the proposed 48-unit The Knoll senior housing development.
2014	North Dakota/95 th Sidewalks	\$200,000	\$30,000	Construct new sidewalks along 95th Ave north of Greenburg Rd and North Dakota St east of Greenburg Rd. This will build 'missing link' sidewalks along two key neighborhood entrances connecting residents to the rest of the city's sidewalks and nearby transit lines.
2016	Commercial Street Sidewalks	PENDING
